DISAPPOINTING ATTENDANCE

FIRE PREVENTION AWARDS

These three little children waited in the cold miserable rain for more than an hour on Sunday, waiting for the official opening of our \$80,000. Fire Hall. The poor attendance of public and officials was very disappointing. The main feature was the presentation of

the Fire Prevention Awards to the local Fire Department for 1962 and 1963. In 1962 the Fire Dept. received Honorable Mention in the whole of Canada and third place in Class D in the Province. In 1963 they placed 22nd in Canada and first in Class D for the province. Inspectors from the Fire Commissioners office made the presentations and

commended the Fire Chief and his men for bringing such good honors to the Town.

Mr. Lloyd Wheatling, the only Councillor present, received the Awards and in turn presented them to Chief Tetarenko on behalf of the Department. He also congratulated the firemen for a job well done.

SHOW MORE INTEREST !

It seems the closer the holidays, the less interest in town community affairs. Different meetings of our local organizations during the past weeks have been poorly attended. The official opening of the new Fire Hall last Sunday was really disappointing. The numerous calls for participation in the Civic Holiday 1964 saw only a few interested organizations and businessmen. And the meeting to set up a field day specially for our youngsters attracted only 2 persons. It is very discouraging for those men and women who are doing a tremendous job to us and our children some pleasant days during the summer holidays, when they don't get the support of parents and other adults. These workers and organizations are not working for themselves, but for all of us, and the least we can do is to support them, not just by words, but with our hands and brains. Civic Day 1964, a most enjoyable day for everyone is drawing closer and closer. August 3rd is the date that the parade and all other entertainments will attract thousands of people to our town. Without the participation of our local clubs, organizations, merchants, etc., this day could become a failure. We cannot afford to let this St. Albert Civic Day get a bad name in the province. Please secretaries, businessmen, support this real St. Albert day 100%. Contact Mr. Jack Monaroy, the man in charge, and make him happy by telling him that you are interested in helping or entering in the parade. We should not forget the great success of this Civic Day in previous years. Our community needs all of you to assure that August 3rd, 1964 will become an unforgettable day. We know from the past that our town has a lot of community spirit. Let's show it now so that the thousands of out-of-towners will notice that we are proud to be an independent town, with independent creative thoughts and inspirations, with people who are proud to live in this Town.

CORNERSTONE CEREMONY

Leo Nickerson Elementary School

On Wednesday, June 24th, Mrs. L. M. Nickerson declared the cornerstone of the St. Albert Separate School District's new eight room elementary school in Sturgeon Heights as "duly and properly laid". This new school building was named in memory of Mr. Leo Nickerson who gave his life in community service. Mr. A.H. Ralphs, Master of Ceremonies, summarized the feelings of the Board of Trustees of the District and the fifty people who attended the ceremonies, when he stated that it was his hope that the building would be more than a monument of brick and masonry. He said that the Leo Nickerson School should stand as a reminder of a way of life devoted to service to others.

The Rev. C. Doshiers of St. Matthews parish offered the Invocation and led the assembly in the Lord's Prayer. Board Chairman, Roy Usher, summarized the Board of Trustees' part in the building program.

Dr. Alex Proudfoot, District Supervisor, provided a brief summary of the educational planning which had gone into the building. He offered this as an explanation of what stands behind "Leo Nickerson".

Mr. Blake Pratt, M.R.A.T.C., architect for the District, was complimented by each of the speakers in turn, for the truly creative and functional design of the building. Mr. Pratt presented Mrs. Nickerson with an engraved trowel with which to lay the cornerstone.

Guests from the city included: Dr. A. Kratzmann, Executive Director of the Alberta School Trustees Ass'n; Mr. W. Roy Tyres, Executive Assistant of the Alberta Teachers' Assn. and Mr. Neville Matthews, Dean-Elect of the Medicine Hat Junior College.

At the microphone, superintendent Mr. Alex Proudfoot. Seated from left to right Mr. Blake Pratt, Mrs. Leo Nickerson, Mr. Roy Usher and Mr. Arthur Ralphs. Mrs. Lillian Usher at the piano.

Your St. Albert Credit Union Board takes pleasure in extending to you and your family a cordial invitation to attend the official opening of its new offices in the Apex Building to be held Saturday, July 11, 1964 at 2:00 p.m.

During the next two weeks before the opening you are also invited to take this opportunity to meet your new manager, Mr. Leo Alain, and to participate in two draws which are as follows:

Any member who makes a new deposit between June 30 and opening date incl., is entitled to have their name placed in a draw for a prize of \$20.00 cash.

Anyone coming into the Credit Union office during the above period is entitled to have their name placed in a draw for a door prize of approximately \$10.00 value.

You are no doubt aware that your Credit Union has gone into full-time operation since December 1, 1963 and more recently has occupied new premises in the Apex Building in downtown St. Albert. The above expansion has resulted in the following growth of your Credit Union's business:

July is salad month. Salads and hot weather go together. I have the fridge well stocked with lettuce, tomatoes, radishes, onion, cucumbers, etc., so if the weatherman just sends along the hot July weather I am all set!!

Here's a novel salad mate, especially nice with baked ham or cold meats. Finely chopped cabbage (as for cole slaw) combined with drained pineapple tid bits. Dilute salad dressing or mayonaisse with pineapple juice, sugar slightly, add to salad and toss lightly.

Often stuck for what to serve for the cook-out dessert?

Take tall 12 oz. tumblers or pilser glasses and chill in fridge.

Pass strawberries or raspberries through sieve. Mix whipped cream and sherbet, alternate in glasses with crushed berries. Top with whole berries crusted with sugar. These can be made ahead and refrigerated till served. Scrumptious and so cool!
